We are pleased to continue our partnership with **Flik Independent School Dining** for the upcoming School Year. Flik will be preparing all food onsite, using whole, fresh ingredients, and avoiding the use of processed foods, artificial colors and flavors, M.S.G., preservatives & high levels of sodium. Flik also prioritizes supporting local providers and organic methods.

We want to keep lunch appetizing and healthy for students and easy to view and plan for parents. For those with dietary needs, for example gluten intolerance, please contact our chef directly by emailing hbchef@nuevaschool.org. We will do our best to accommodate you. However, we may not be able to fulfill every request, particularly medically significant dietary allergies, restrictions, or needs. In certain cases, it may be more appropriate for you to provide lunch from home. Thank you for your understanding.

Our lunch program will offer healthy, often organic, choices **every day**, including:

- A different hot entree
- Vegetarian and Gluten Free options
- Choice of two soups (one vegetarian)
- Full salad bar
- Sandwich bar

Our lunch program lets you:

- Know that your students are offered a convenient variety of healthy, tasty entrees, soups, salads, and sandwiches
- Give your students a healthy, hot or cold meal, without dealing with bags, bottles, microwaves, or any other hassles
- Eliminate the time you spend shopping for and preparing lunches
- Stop worrying about your students leaving their lunches at home, in the car, or on the bus
- Forget about your students leaving their lunch bags or boxes at school

We have three ordering options: a discounted annual subscription (which can be purchased in advance for the year), a discounted monthly subscription (which can be purchased in advance before the 1st school day of each month), and a flexible pay-as-you-go plan (where you are billed for actual lunches your student receives). Parents and guests are welcome to join us for lunch. See below for pricing. Beverages are included in the aforementioned lunch purchase programs only. Beverages are not available for purchase separately. If your student opts to not purchase lunch, please make sure to provide them with a beverage in their lunch kit.
